

When I initially came to see Dr. Schaefer I wanted to find out what options I had for replacing my partial. We had a consultation to talk about my options. I replaced my partial with Crown and Bridge work. This really improved the health of my teeth and I now have a beautiful natural smile. My overall experience was excellent and far exceeded my expectations. Dr. Schaefer and his staff are meticulous and highly professional. There is no better team. I have more confidence and a lovely new smile thanks to Dr Schaefer and his team. I would highly recommend them to all of my family and friends.
